Researcher

Speaker

Creator of **POTUS Unpacked**: 250 Years of
Presidential Highlights

About

Lorraine Cleary is a former technology professional turned first-time author who researched and organized 250 years of U.S. presidential history. The result is *POTUS Unpacked*, a fact-based, non-partisan starting point into how America got to where it is today. Historians have, and continue to provide, deep analysis of our political history. Think of POTUS Unpacked as the on-ramp to everything the historians built.

POTUS Unpacked:

250 Years of Presidential Highlights

Essential knowledge, efficiently delivered.

A starting point, not an ideology.

Fact-based, non-partisan, major highs, major lows.

Revealing insights into the people and moments that impact our lives.

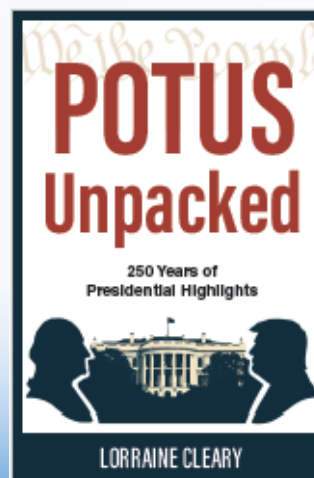

Context driven: what was happening when they took office, what challenges did they face, and how do historians rate their legacy?

Media Story Angles

- Presidential firsts and other interesting facts.
- I'm not a historian and that's exactly why I wrote this book.
- How versed are Americans in civics? And why it matters.
- Your 3-step on-ramp to quickly come up to speed on American history.
